Cub Scout camping is an excellent way to expose Cub Scouts and their families to the positive values of Scouting found in the Cub Scout Promise, such as duty to God and helping others. Each Cub Scout Pack is encouraged to provide its youth members with enriching camping experiences. It is the intention of Cub Scout pack camping to be an adult/youth member camping activity organized by the Pack.

BALOO training has been developed to aid Cub Scout Leaders in planning and carrying out a successful Pack outdoor experience that is:

- Fun
- Based on the purposes of Cub Scouting, its purpose, aims & methods
- Successful by insuring the leaders are equipped with the skills that will encompass preparations, site selection, parent involvement, health and safety, equipment, meal planning, and an introduction to outdoor skills.

BALOO training will:

- Present an understanding of the Cub Scout level of the BSA camping program.
- Help the leader acquire the skills and confidence to plan and carry out a successful Cub Scout level camping activity.
- Increase the Leader's knowledge of the resources available from the BSA and other sources to help carry out these activities.
- Explain the requirements for successful completion of these activities, using National standards and guidelines.
