## **PROGRAM CONDITIONS**

I/We acknowledge and agree the following requirements for all participants:

1. This program is for donated or discounted goods and services only and will supplement, not replace, the general contractor's, subcontracting and purchasing process.
2. A mandatory meeting will be held for all interested parties at the Scout Service Center, Rinker Education Building, 8335 North Military Trail, Palm Beach Gardens, FL at 6:30 p.m. on Monday, May 5, 2008.
3. All participants will submit bids, sign subcontracts and otherwise perform as if they were arms-length parties. This is critical to ensure the orderly execution of the projects.
4. The land is located in unincorporated Martin County, whose laws, codes, ordinances and licensing requirements will apply at all times.
5. While the Council will provide appropriate recognition to/for all participants, the Council cannot be held out or advertised as endorsing any goods, services or providers – this being prohibited by National BSA policy.
6. Plans and specifications for all projects are available to review by appointment at the Council Service Center. Please contact Tim Bouchard (561-694-8585 X255).
7. For federal and state income tax purposes, the Gulf Stream Council will gladly acknowledge receipt of donated or discounted goods and services, but we are not permitted to set or confirm any value assigned to them.

Thank you for your interest in supporting the vital mission of Scouting!
