

Join us for the Great American Cleanup

Saturday, April 17

and alternate dates
check website below for details

Make plans now to join millions of volunteers of all ages across America who will be taking part in the Great American Cleanup in an effort to clean up and improve their local communities. In celebration of Earth Day, local activities include a massive removal of litter and illegal dumping from our public spaces - - neighborhoods, roadways, waterways, parks, schools, etc. Additional community improvement activities include tree and landscape plantings, and other beautification projects.

Demonstrate your individual responsibility by taking part in this annual effort to make Palm Beach County and neighborhoods across America a safe, more enjoyable place to live, work and play!

The GREAT AMERICAN CLEANUP, a project of Keep America Beautiful, is coordinated locally by Keep Palm Beach County Beautiful Inc. and the Solid Waste Authority (SWA).
