

# Treasure Coast Waterway Cleanup

## Saturday - July 19, 2008

### Sponsorship Opportunities

The Marine Industries Association of the Treasure Coast with the support of the Florida Inland Navigation District will be holding its first waterway cleanup on the Treasure Coast. We are planning a day of work and fun for the entire family. This event will expose your company to a large segment of the boating community encompassing Martin, Saint Lucie and Indian River Counties Your participation benefits the health of the entire waterway system throughout the Treasure Coast. Sponsorship levels are:
