General Information: Cross-over is the formal ceremony for Cubs (Webelos II's) to "cross" from Cub Scouting to a Boy Scout Troop. Troops will have representatives present to welcome each boy crossing into Boy Scouts. Webelos are encouraged to participate in this District event even if they have a similar ceremony in their Cub Scout pack AND if they plan to continue into Boy Scouts.

**Please RSVP:** Webelos II's should tell their Webelos leader what troop they plan to cross into by February 7, 2018. **Webelos leaders**, please pass this information on to the contact person below at or before the February 8' 2018 Roundtable meeting.

More specifics on the event will be communicated with each Pack as the event gets closer. Please check with your Pack's Cubmaster, Committee Chair or Webelos II leader for these details.
