“Scouting in the Wild”

Jan 20th, 2018

Everglades District is piloting this first Annual event open to our local Districts in Gulfstream Council, all scouters, and immediate family members. Lion Country has offered to partner to put on this full day event.

The price per Scout and family members is an over 60% reduction price and will include a Cub Scout rank activity (aligned with our new cub scout program), the Drive through park adventure and a full day of the Safari Amusement Park. This will be a CLASS B event for our scouts. * It is highly recommended that you plan your day to include the many cool activities at Lion Country Safari. Included in this packet is the Cub scout programs and opportunities to meet other electives toward rank advancement.

Included in admission is free parking with entry to both the drive-through safari, Cub Scout Rank Workshop Activity, and walk-through amusement park. Plus, enjoy these attractions complimentary: 2 water slides, fun slide, carousel, flying elephant ride, toddler train, paddle boat rental, pontoon boat tour, mini golf, Safari Splash water spray ground, safari maze, and 4-6 shows/presentations daily.

Some rides/attractions/encounters require a small fee in addition to the admission price. These are noted in the program guide included in your packet.

We hope you will include this wonderful event in your Unit calendar for the 2017/18 scouting year.

REGISTRATION: Units will be required to pre-register online as a Unit through Tentaroo. Late registration will close Jan 18th 2018.

ID Bands: Everyone is required to check-in at our Everglades District Check-In table, located in the parking lot. A package including your ID bands, patch and informational materials will be available for your Unit.

Each registered participant is expected to wear their wristband the duration of the day. If for some reason a new band is needed, please check with registration. Wearing the wristband will be the easiest way to identify all scouts and families registered for this event. *This is also a very important safety pre-caution.

Scouts and siblings are NOT allowed to roam free at any time. They must be accompanied by an adult throughout the event. Closed toe shoes must be worn by everyone at all times.

ATTENTION ALL PACKS

On-line registration through Tentaroo opens Nov 2017 and closes Jan 18th 2018. Online pre-registration is by UNIT and open to any registered Unit in Gulf Stream Council.
