National Youth Leadership Training (NYLT) is the current incarnation of youth leadership development training offered by the Boy Scouts of America. NYLT is a six-day outdoor training experience for the Boy Scouts and Venturing youth leaders as an important part of the leadership-training continuum of the Boy Scouts of America.

The N.Y.L.T. course centers around the concepts of what a leader must **BE**, what they must **KNOW**, and what they must **DO**. The key elements are then taught with a clear focus on **HOW TO**. The skills come alive during the week as the patrol goes on a quest for the meaning of leadership.

**WHO SHOULD ATTEND?** The course is open to Boy Scouts, Sea Scouts, and Venturers at least 13 years old but not yet 21.

Boy Scouts should be:

- First Class Scouts.
- Currently serving in a troop/crew position of responsibility
- Recommended/approved by Scoutmaster or Venturing Crew Advisor.

**WHAT WILL BE COVERED?** NYLT gives a toolbox of essential leadership skills, the ability to set and achieve goals, the confidence and experience necessary to run their Unit and an opportunity to share ideas and experiences with other Scouts from around the Council. \*This is an outdoor training course. Scouts will be participating in activities that require hiking, cooking and camping in any weather.

Please make sure participant application is filled out with Scoutmaster/Crew Advisor approval and e-mailed to [eagle1980@bellsouth.net](mailto:eagle1980@bellsouth.net).
