

National Youth Leadership Training

Tanah Keeta Scout Reservation
December 27, 2021 - January 1, 2022

Course Director: Ricardo Echeverri
Course Leader: Zack Gerner

National Youth Leadership Training (NYLT) is the current incarnation of youth leadership development training offered by the Boy Scouts of America. NYLT is a six-day outdoor training experience for the Boy Scouts and Venturing youth leaders as an important part of the leadership-training continuum of the Boy Scouts of America.

The NYLT course centers around the concepts of what a leader must **BE**, what they must **KNOW**, and what they must **DO**. The key elements are then taught with a clear focus on **HOW TO**. The skills come alive during the week as the patrol goes on a quest for the meaning of leadership.

NYLT provides a toolbox of essential leadership skills, the ability to set and achieve goals, the confidence and experience necessary to run their Unit and an opportunity to share ideas and experiences with other Scouts from around the Council. *This is an outdoor training course. Scouts will be participating in activities that require hiking, cooking and camping in any weather.

Participants must attend the full week of training to receive certificate of completion.

COST: \$240.⁰⁰ per participant. Early Bird discount is \$220.⁰⁰ if paid in full before 10/01/21.
