Think creatively as you plan and build vehicles to move through all kinds of terrain, including mountains, oceans, jungles, and deserts. Using LEGO Bricks, build creations to get you to where you need to go. Families are invited to dress up as pilots, sailors, racers and world explorers as they take the wheel of life-sized toy vehicles and engage in dynamic play. Duplo bricks will be on hand for younger guests. Share your creations through a photography booth set up against a destination backdrop. Visit San Francisco, Paris, Hawaii and more real-life destinations, all while learning about travel history.
