Scouts will visit each RANK specific booth and complete the requirements. The Adventure Loops & Pins are taught by Packs in our Districts, all Packs are asked to participate. The more Loop & Pin booths, the better! There are at least 3 RANK specific booths for each RANK.

The Scouts will get a check off sheet at registration and be able to take home 3 Adventure loops or Pins, when they are ready to leave, they may complete as many as they like, but the fee includes up to 3. If more than 3 are available they can take the sheet back to their pack for the other Adventure loops or Pins, it is up to the Pack to decide how they would like to get the extra loops or Pins for them.

The CLAW registration price only applies to your family, so if you have one adult and two scouts participating, you can't give the extra adult wristband to another parent in your Pack.

The Science Center will host "The Sky's the Limit" for the Tiger Rank in the Planetarium, it holds 61 people a show, so you will have to sign up for a show time at the event, the hours for the Planetarium will only be from 10:30am until 1:30pm (every half hour) for TIGER participants.

The Planetarium is only for TIGER Scouts & their one adult partner during the event, no extra parents or siblings in the Planetarium during CLAW. After 2pm, you may visit the Planetarium, but regular Planetarium Show fees apply.

Rita's Ice will be there for a cool tasty treats! Bring cash!

The WT Café inside the Science Center is available for lunch. Mobile Café outside.

ALL CUB SCOUTS & NON-SCOUTS MUST BE ACCOMPANIED BY AN ADULT THE ENTIRE EVENT!

WANT TO SET UP AN ADVENTURE LOOP OR PIN BOOTH?

Packs from all districts are asked to set up an Adventure Loop or Pin booth. Bring your own canopies for outside. The Center will provide tables and chairs if you need them. **We cannot have a successful event without Pack participation! There is a huge area outside the Science Center with plenty of room to spread out.**

Pick an Adventure Loop or Pin for your pack. Get all your leaders and parents involved...make a schedule for the event, so you're not the only one at the booth. Ask everyone to volunteer an hour so you can enjoy time with your scout at the event. The best set up for these booths are Round Robins within each booth: set up requirements by table and rotate scouts to each one. Expect 30 to 45 minutes per each Rank requirement booth for completion.

Listed below are the Adventures we feel can be completed at CLAW.

We will have Adventure Loop & Pin booths in the Center along with the ones outside; but it is really noisy. It's your call. **All booths inside** - children of adults teaching a Loop or Pin must supervise their kids at all times. Remember: this is a regular Saturday for the Science Center. Adult leaders teaching inside the Center will need to get special wristbands. See Joanne Moniger for those the day of the event. She will need a list of your Loop or Pin booth experts.

Google to see the requirements for each Adventure Loop or Pin.

Please pick the Adventure Loop or Pin your pack would like to teach and contact Joanne so we can keep a list of availability. First come, first serve on the Loops or Pins!!!!
