The Trainer's EDGE course continues developing the platform skills of a trainer, youth and adult, emphasizing the EDGE method of training. While meant to supplement the practice offered through Wood Badge and NYLT staff development, trainers at all levels such as District and Council Trainers, Merit Badge Counselors (youth and adult), should take this course. We focus on the participant, raising the level of skill of the trainer. The Trainer's EDGE is required training for Wood Badge and NYLT staff. Course content includes:
