CELEBRATING EAGLE SCOUTS

An Eagle Scout has been erected by the pond in Camp Oklawaha to honor scouts who have attained the Eagle rank. We are offering an opportunity for all Eagle Scouts to purchase a 4"x8" tile with their name and date of ranking to adorn the wall.

The funds to build this wall are being provided by the Stradley family in honor of their son, Stephen, who earned his Eagle Scout rank in Indian River District.

Orders may be placed on Gulf Stream Council website.

The wall will be updated quarterly, or as sufficient tiles are purchased to warrant an order.
