

"Service to camp comes from the heart!"

• Ranger Steve Steinmetz

For over 50 years the Scouts and Scouters of Gulf Stream Council have built, maintained, and cared for the Tanah Keeta Scout Reservation. Now, as a “thank you” to those volunteers who donate a minimum of 40 hours of service to Camp, this special CSP will be presented as a symbol of their hard work and dedication.

It is not for sale and it is not for recognition of past efforts.
